In addition, the conveyance of an insignificant portion(s) of a Lot to the Owner of the Lot which abuts said conveyed portion for the purpose of correction a common boundary or other similar purpose, shall not be deemed to be a subdividing of a Lot within the prohibition contained herein.

SECTION 5.22. Fences. No fence or wall of any kind shall be constructed on a Lot unless the plans and specifications therefor, including the location, design, material and color thereof, have been approved in writing by the ACC prior to the construction or installation. All fences and/or walls constructed on a Lot shall be in compliance with the applicable ordinances of the City of Boise, Idaho.

All fences and walls shall be subject to the following restrictions:

- (a) No fence or wall shall be permitted to be constructed or installed on any portion of a berm constructed by the Grantor in Silverwood Subdivision.
- (b) Fences and walls shall not extend closer to any street than twenty feet (20') nor project beyond the setback of the principal Building on the Lot. No fence higher than six feet (6') shall be allowed without the prior approval of the City of Boise (if required) and the ACC.
- (c) All fences and walls shall be constructed and installed and maintained in good appearance and condition at the expense of the Owner of the Lot on which they are located and all damaged fencing and walls shall be repaired or replaced to original design, materials and color within a reasonable time after said damage occurs.

SECTION 5.24. Adoption of ACC Rules/ACC Standards. SECTION 5.25. Exemption of Grantor. Nothing herein contained shall limit the right to the Grantor to subdivide or re-subdivide any Lot or portion of the Property or to grant licenses, reservations, right-of-way or easements with respect to Common Areas to utility companies, public agencies or others; or to complete excavation, grading and Development to or on any Lot or other portion of the Property owned or controlled by the Grantor, or to alter the foregoing and its Development plans and designs, or construct additional Improvements as the Grantor deems advisable in the course of Development of Silverwood Subdivision. This Master Declaration shall not limit the right of the Grantor at any time prior to acquisition of title to a Lot by an Owner to establish on that Lot additional licenses, restrictions, reservations, right-of-way and easements to itself, to utility companies and to others, as may from time to time be reasonably necessary. The Grantor need not seek or obtain ACC approval of any Improvements constructed or placed within the Property by the Grantor in connection with the Development of Silverwood Subdivision, but this exemption shall not apply to a building(s) constructed by the Grantor on a lot owned by the Grantor. The Grantor shall be entitled to the non-exclusive use, without charge, of any Common Area within Silverwood Subdivision in connection with the marketing of the Lots therein.

SECTION 5.26. City of Boise Solar Ordinance Compliance. In recognition that the City of Boise has adopted a Solar Ordinance requiring that a private restriction be recorded relative to subdivision plats to provide the same or identical level of solar access protection as required under the City's solar setback and new solar access design ordinances, the following restrictions with regard to setback in development

shall be complied with in conjunction with the development of any residences within the subdivision. The following covenants, conditions, and restrictions shall run with the land and shall provide general protection as to the ownership, use and occupation of all lots within the subdivision, use and occupation of all lots within the subdivision and annexations therein, which provisions shall be binding upon all parties having any right, title or interest in the described properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each and every owner thereof.

(A) SOLAR ACCESS DEFINITIONS

(1) Exempt Trees: Any preexisting vegetation as defined in Article II, Section B or any vegetation included on the list of solar friendly vegetation kept by the City of Boise's Public Works and Community Planning and Development Departments.

(2) Front Lot Line: The line represented by the connection of the most distant corners of a lot, including flag lots, where said corners are in common with the boundary of a public or private road. For corner lots, the front lot line is designated on the plat.

(3) North Slope: The gradient, in percent slope, from the average finish grade of the front lot line of the shade restricted lot to the average finished grade of the solar lot line of a solar lot. The slope must be downward or decreasing in elevation from south to north.

(4) Restricted Vegetation: A tree or other vegetation which is either evergreen, or if deciduous, tends to retain its leaves late in the fall and/or drop them late in the spring, or has a dense branching pattern which generally tends to block a high level of the sun's rays during the heating season. Refer to the list of "solar friendly" trees on file with the Boise City Public Works and the Community Planning and Development Departments.

(5) Shade: That portion of the shadow cast by the shade point of a structure or vegetation which exceeds the 11.5 foot fence at the solar lot line at solar noon, January 21.

(6) Shade Point: That part of a structure, tree or other object, on a shade restricted lot, which casts the longest shadow (the most northerly shadow) when the sun is due south on January 21st at an altitude of twenty-six (26) degrees above the horizon, except a shadow caused by a narrow object such as a chimney, antenna, utility pole, wire, etc.

(7) Shade Point-Height: The vertical distance or height measured from the average elevation at the solar lot line to the shade point. If the shade point is located at the north end of a ridge line of a structure oriented within 45 degrees of a geodetic north-south line, the shade point height computed according to the preceding sentence may be reduced 3 feet. If a structure has a roof oriented within 45 degrees of a geodetic east-west line with a pitch which is flatter than 6 feet (vertical) in 12 feet (horizontal), the shade point will be the eave of the roof. If such a roof has a pitch which is 6 feet in 12 feet or steeper, the shade point will be the peak of the roof.

(8) Shade Restricted Lot: Any lot within the subdivision that is southerly of and adjacent to a solar lot. These lots have some restriction on vegetation types and structure height.

(9) Solar Friendly Vegetation: A tree or other vegetation which is included on the solar friendly vegetation list kept by the City of Boise's Public Works and Community Planning and Development Departments.

- (10) Solar Lot: A lot which has the following characteristics:
1. The front lot line is oriented within thirty (30) degrees of a geodetic east/west bearing;
 2. The lot to the immediate south has a north slope of ten (10) percent or less;
 3. Is intended for the construction of an above ground inhabited structure.

(11) Solar Lot Line: The most southerly boundary of a solar lot: the line created by connecting the most distant southerly corners of a solar lot.

(12) Solar Setback: The minimum distance, measured perpendicular in a southerly direction, from the center of the solar lot line to the shade point of a structure or to restricted vegetation based upon its height at maturity on the shade restricted lot.

(B) SOLAR ACCESS COVENANTS, CONDITIONS AND RESTRICTIONS

(1) Shade Restriction: Each lot within the subdivision which is classified as a Shade Restricted Lot shall have the following restriction: Any structure or restricted vegetation (solar unfriendly) cannot cast a shadow higher than an imaginary fence 11.5 feet above the solar lot line on solar noon of January 21st when the sun is at an angle of 26 degrees above the horizon. This sun angle at noon on January 21 causes structures, vegetation, and other objects to cast a shadow twice as long as their height. The height of the shade point of a structure on the shade restricted lot is limited to 19 feet at the 15 foot rear yard zoning setback in order that the 11.5 foot high "solar fence" at the north property line of the Shade Restricted Lot is not exceeded. These standards assure that a structure built to the 15 foot rear yard zoning setback, on the Solar Lot located to the north, will not be shaded more than 4 feet above grade on its south wall on January 21 at solar noon.

(2) Pre-Existing Vegetation: Restricted vegetation (solar unfriendly), which existed when the subdivision was platted is exempt from the provisions of these covenants, conditions and restrictions. Any lot which would be shaded beyond the allowed shade limit by such vegetation shall not be classified as a Solar Lot.

(3) Slope Exemption: Any lot with an average finished grade along the north-south lot dimension greater than ten (10) percent shall be exempt from the terms and conditions of these covenants, conditions and restrictions.

(4) Solar Setbacks: Each separate structure and item of restricted vegetation shall have a solar setback dependent on and calculated by its shade point height. All shade restricted lots have the following solar setback: Solar Setback (in feet) = (Shade Point Height (in feet) - 11.5') x 2. Table 1 below shows a few examples of solar Setbacks for given shade point heights:

TABLE 1

SOLAR SETBACK REQUIRED FOR A GIVEN SHADE POINT HEIGHT.

Shade Point Height	Solar Setback	Shade Point Height	Solar Setback
10'	0'	25'	27'
15'	7'	30'	37'
20'	17'		

(3) Solar Friendly Vegetation: Certain vegetation is considered "solar friendly" and is not restricted in regards to location on individual lots. Such vegetation is deciduous, dropping its leaves during late fall and regaining them during late spring. Such vegetation also has sparse branching which allows a high level of sunlight to penetrate through. This growth cycle produces shading during summer but allows sun to penetrate during winter. A list of acceptable solar friendly trees is maintained by the Boise City Public Works and the Community Planning and Development Departments.

(C) SOLAR ACCESS RIGHTS, DUTIES AND RESPONSIBILITIES

(1) Solar Access Rights: The owner(s) of a solar lot(s) shall have a right to unobstructed solar access in accordance with these covenants, conditions and restriction.

(2) Solar Access Duties: The owner(s) of any lot(s) shall not build, install, or otherwise allow a structure or non solar friendly tree on that lot to cast more shade at their solar lot line than permitted under solar access covenants, conditions and restrictions.

(D) MISCELLANEOUS

(1) Enforcement and Non-Waiver: Any lot owner, or homeowner association, whether or not directly affected, shall have the right to enforce, by any proceeding at law or in equity, any violation or threatened violation of a provision of this declaration. The failure of any person to enforce any covenant or restriction herein contained shall not be deemed a waiver of the rights granted herein. Waiver of one breach does not constitute waiver of any other breach. There can be no waiver of the right to solar access created by this Declaration.

(2) Severability: Invalidity of any one of these covenants or restrictions by judgement or court order shall in no way effect any other provision, which shall remain in full force and effect.

(3) Duration and Applicability to Successors: The covenants and restrictions set forth in this declaration shall be in effect perpetually, shall run with the land and shall inure to the benefit of and be binding upon the Declarant and all lot owners in the subdivision and their successors in interest.

(4) Amendment: This Article 5.26 of the Declaration may be amended by the action of the owners of a majority of the lots in the subdivision affected by such amendments provided the amendment does not reduce the amount of solar access protection provided to the subdivision and the amendment is approved by the City of Boise City.

Upon the first sale of a Lot to an Owner, the Grantor shall thereupon be entitled to five (5) votes for each lot which the Grantor owns until (i) the total votes outstanding in the Class A membership exceeds the total votes outstanding in the Class B membership, or (ii) January 1, 2006, whichever shall first occur, at which time Class B members shall be considered to be Class A members.

SECTION 6.06. Board of Directors and Officers. The affairs of the Association shall be conducted by a Board of Directors and such officers as the Directors may elect or appoint, in accordance with the Articles and By-Laws, as the same may be amended from time to time.

- (a) To defray, in whole or in part, the cost of any construction or reconstruction of improvements on a Common Area, unexpected repair or replacement of improvements upon the common area or any facility located thereon or upon an easement area controlled by the Association, the furnishing of a special service or services (other than those appropriate for a Limited Assessment), or for any other expenses incurred or to be incurred as provided in the Master Declaration.
- (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board.

At the closing of the sale of each Lot by the Owner, a special assessment of \$100.00 shall be collected from the purchaser of the Lot as payment for the initial construction and maintenance of the Common Area and landscape easements to be maintained by the Association.

SECTION 8.04. Limited Assessments. In addition to Regular and Special Assessments, owners shall pay Limited Assessments as follows:

- (a) Maintenance and Repair. The Association shall have the power to incur expenses for maintenance and repair of any Lot or any Improvements on a Lot, if such maintenance and repair is necessary, in the opinion of the Board, to protect the Common Area or any other portion of the Property, and if the Owner of said Lot has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity thereof has been delivered by the Board to said owner. The Board shall levy a Limited Assessment against the Owner of the Lot owned by said owner to pay for the cost of such maintenance and repair, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair and the Assessment therefor.
- (b) Correction of Violations. In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Master Declaration or the ACC Rules/ACC Standards, shall have the power to correct a violation on a lot or any Improvement on a Lot, and incur costs necessary in connection therewith. The cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in Article IX of the Master Declaration.
- (c) Limited Purpose. The Association shall have the power to levy a Limited Assessment against Owners and lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing with respect to said Limited Assessment.

SECTION 1.05. Sub-Association Assessments. Any Sub-Association of Silverwood Subdivision is hereby empowered to assess and certify for levy and collection by the Association, Regular, Special and Limited Assessments on the Lots and Owners thereof who are Members of the Sub-Association. The certification for levy by a Sub-Association and the collection thereof by the Association shall be as follows:

- (a) The Sub-Association Board shall, following its By-Laws, rules and regulations, meet and approve a Regular, Special or Limited Assessment.
- (b) A written certification signed by the President and Secretary of the Sub-Association that a Regular, Special or Limited Assessment has been approved by the Sub-Association Board shall be submitted to the Board. The certification shall contain the following: (i) a description of the type of Assessment to be levied and collected; (ii) the name and address of the Owner and the legal description of each Lot to be assessed; (iii) the amount to be levied and collected from each owner; and (iv) the term of said levy and the due dates for the payment thereof by the Owners affected. The due dates may be adjusted by the Board to conform the same to the due dates of the Assessments of the Association for the purpose of achieving efficiency and economy in preparing, mailing statements and notices.
- (c) Upon compliance with the foregoing, the Board shall levy the Assessment so certified in accordance with the terms of the certification in the same manner as levies for Assessments of the Association. Any levy made by the Association on behalf of a Sub-Association pursuant to a proper certification shall have the same force and effect as a levy made by the Association.
- (d) The Association, upon receipt of funds paid pursuant to a levy certified by a Sub-Association, shall deposit such funds as received in the separate account of the Sub-Association, as designated by the Sub-Association.

SECTION 1.06. Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence the earlier of the following: (i) six (6) months following the closing of the first sale of a Lot to an Owner, or (ii) the occupancy of the first building constructed on a lot. Provided, however, that any lot owned by the Grantor shall be assessed a Regular Assessment not exceeding ten percent (10%) of the amount assessed against Lots owned by other Owners. If the Grantor pays all or any portion of the expenses of the Association in excess of the amount assessed to Lots owned by the Grantor, such excess amounts so paid shall constitute a prepayment of Assessments (Regular and Special) to become due and payable on the Lots owned by the Grantor within Silverwood Subdivision; provided that unless such excess amounts so paid by the Grantor are paid pursuant to a written agreement with the Association to the contrary, the Grantor shall not be entitled to reimbursement in cash of any such Assessment credit nor shall such credit inure to an Owner purchasing a Lot from the Grantor, unless such person is the successor to substantially all of the interest of the Grantor in the Property. Nothing herein contained shall obligate the Grantor to pay any Assessment with respect to a Lot within a separately platted phase or subdivision within Silverwood Subdivision in which the Grantor owns all of the lots.

SECTION 1.07. Uniform Rate of Assessment. Except as expressly provided to the contrary in this Master Declaration, Regular and Special Assessments of the Association shall be fixed at a uniform rate for all Lots.

SECTION 1.08. Assessment Due Date. The due dates for Regular, Special and Limited Assessments shall be the first day of the first month of each calendar quarter, unless some other due date is established by the Board. Each installment of an Assessment shall be delinquent if not paid within fifteen (15) days after the due date thereof. Nothing herein contained shall prohibit the Board from requiring that Special or Limited Assessment be paid in a lump sum instead of installments.

SECTION 1.09. Interest and Penalties. Any Regular, Special or Limited Assessments levied by the Association on Lots, if not paid when due, shall bear interest at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and to in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

SECTION 1.10. Enforced Certificates. The Association, upon at least twenty (20) days prior written notice, shall execute, acknowledge and deliver to the party making such request, a statement in writing stating whether or not to the knowledge of the Association a particular building lot owner is being intended under the provisions of the Master Declaration and further stating the dates to which any assessments have been paid by the Owner. Any such certificate delivered pursuant to this Section may be relied upon by any prospective purchaser or Mortgagee of the Owner's building Lot. Reliance on such certificate may not extend to any default at which the signer shall have had no actual knowledge. The Association shall have the right to charge a reasonable fee for the certification herein provided.

SECTION 8.11. Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the Articles or the By-Laws of the Association, written notice of any meeting called for the purpose of levying a Special Assessment or a Limited Assessment described in Section 1.04, above, shall be sent to all Owners subject to the levy of such Special or Limited Assessments no less than ten (10) nor more than fifty (50) days in advance of the meeting. The presence of Owners or of proxies entitled to cast sixty percent (60%) of the total votes of each class of members of the Association subject to the levy of such Special or Limited Assessment shall constitute a quorum. If the required quorum is not present, the meeting may be rescheduled by the Board for a date not later than sixty (60) days after the date of initial meeting and at the rescheduled meeting the presence of Owners or of proxies entitled to cast ten percent (10%) of the total votes of each class of Members shall constitute a quorum. No written notice of the rescheduled meeting shall be required.

ARTICLE IX.

ENFORCEMENT OF ASSESSMENTS

SECTION 9.01. Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association (including the Assessments made and certified by a Sub-Association) is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of any of the terms and conditions of this Master Declaration, the owner against whom such enforcement is sought shall pay reasonable attorneys' fees in connection therewith.

SECTION 9.02. Creation of Assessment Liens. There is hereby created a continuing claim of lien with power of sale on each and every lot to secure payment of any and all Assessments levied against any and all Lots in Silverwood Subdivision pursuant to this Master Declaration, together with interest thereon and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens or claims created subsequent to the recordation of this Master Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in Ada County, Idaho, including all unpaid obligatory advances to be made pursuant thereto; and (iii) labor or materialman's liens. If the same are prior and superior by reason of applicable law. All other lien holders acquiring liens on any Lot after recordation of this Master Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessments levied by the Association, whether or not such consent be specifically set forth in the instruments creating such other liens.

SECTION 9.03. Notice of Assessment. If an Owner fails to pay an Assessment within thirty (30) days of its due date, the Association shall prepare a written Notice of Assessment setting forth the type of Assessment, the amount of the Assessment, the due date thereof, including the amount and due date of installments (if the same are permitted), the amount remaining unpaid at the time of filing, the name of the record Owner of the Lot and a legal description of the Lot. Such Notice shall be signed by the President and Secretary of the Association, acknowledged by a notary Public and recorded in the office of the Ada County Recorder. At such time as a delinquent Assessment which is described in the Notice is paid, the Association shall prepare and record a Notice of Satisfaction with respect thereto.

SECTION 9.04. Enforcement. Upon the failure of an Owner to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Idaho for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including all reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease, rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

SECTION 9.05. Notice Required. Notwithstanding anything to the contrary in this Master Declaration, no action may be brought to foreclose the lien created by recordation of the notice of delinquency and claim of lien, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after written notice of default and claim of lien has been deposited in the United States Mail, certified or registered mail, postage pre-paid, return receipt requested, addressed to the Owner of the Lot described in such Notice of delinquency and claim of lien, and a copy thereof is recorded by the Association in the office of the appropriate county recorder.

SECTION 9.06. Remotely. The Association shall provide a Mortgagee with a copy of a Notice of Default served on an Owner under Section 9.05, above. The duty to give such shall arise only after said Mortgagee furnishes to the Association written notice of a Mortgage (or Deed of Trust) which shall contain the following:

- (a) The name and address of said Mortgagee;
- (b) A legal description of the Lot subject to the lien of the Mortgage by Lot, Block and Subdivision
- (c) The name and address of the Owner;
- (d) The date the lien of the Mortgage was filed or recorded in Ada County, Idaho, and the instrument number thereof;
- (e) The maturity date of the obligation secured by said Mortgage lien;
- (f) A copy of a title insurance report evidencing that the Mortgagee is the holder of a first Mortgage or the beneficiary of a first Deed of Trust;
- (g) The signature of the Mortgagee or authorized agent.

In the event the Association shall be required to notify a Mortgagee as herein provided, the Association shall assess the Owner who is delinquent the sum of \$25.00 as a reasonable charge for such notification and such charge shall be a cost of collection secured by the Assessment lien described in Section 9.02, above. The charge for such notification shall be subject to change by the Board.

SECTION 9.07. Term of Assessment. Unless sooner satisfied and released or the enforcement thereof initiated as provided in this Article, the lien for any Assessment levied under this Master Declaration or any applicable Supplemental Declaration shall expire and be of no further force or effect after a period of five (5) years from the later of (i) the date of said Assessment, or (ii) the date the last installment thereof is due and payable. The expiration of the lien as provided herein shall not release an Owner from the personal obligation to pay any Assessment.

SECTION 9.08. Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Master Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

SUB-ASSOCIATIONS

SECTION 10.01. Creation. The Grantor shall have the right to create Sub-Associations as Idaho non-profit corporations. Each such Sub-Association shall have all power, rights, obligations, responsibilities and duties and be subject to all of the same limitations and restrictions as are specified in this Master Declaration with respect to the Association, except for such differences, such changes as the Grantor may deem appropriate as a result of the different and specific Common Areas being owned, maintained and managed by such Sub-Associations, which changes shall be set forth in a Supplemental Declaration.

SECTION 10.02. Voting. Each Sub-Association shall have the two (2) classes of voting membership and the voting rights shall be specified for the Association in Section 6.05, above.

SECTION 10.03. Powers and Duties. Each Sub-Association shall be managed by a Board of Directors and officers in the same manner as specified in Section 6.06, above, for the Association and shall have the same powers and duties with respect to its Members and the Common Areas owned, managed or maintained by it, including any easement areas controlled by it, said powers and duties to include the levying of Assessments and certification thereof to the Association for collection, adopting rules and regulations, granting easements, licenses and right-of-way, payment of expenses, taxes, assessments, utility charges, insurance premiums and the preparation and distribution of budgets and financial statements as are provided in Article VI, above.

SECTION 10.04. Members. The Members of each Sub-Association shall be the Owners of Lots in the portion or phase of Silverwood Subdivision described in the Supplemental Declaration relating thereto. Memberships may only be transferred in the same manner as specified in Section 6.04, above.

ARTICLE XI.

ARCHITECTURAL CONTROL COMMITTEE

SECTION 11.01. Members of the Committee. The Architectural Control Committee shall be comprised of at least three (3) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any event, until said Member's successor has been appointed. Members of the ACC may be removed at any time, with or without cause.

SECTION 11.02. Appointment. So long as the Grantor owns any lot or parcel within the Property, the Grantor shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board.

The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.

SECTION 11.03. Compensation. The members of the ACC shall not receive any compensation for services rendered, but shall be reimbursed for actual expenses incurred by them in the performance of their duties hereunder.

SECTION 11.04. Non- Liability. Neither the ACC, nor any member thereof, or the Grantor or any partner, officer, employee, agent, successor or assign thereof, shall be liable to the Association, an owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such an application, and every owner or Occupant of any Lot agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Association, the ACC, or any member thereof, or the Grantor or any officer, partner, employee, agent, successor or assign thereof to recover such damages.

SECTION 11.05. Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within Silverwood Subdivision without the prior express written approval of the ACC.

SECTION 11.06. Variance. The ACC may authorize variances from compliance with requirements of any conditions and restrictions contained in this Master Declaration, the ACC Rules/ACC Standards, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variances must be evidenced in a writing signed by at least two (2) members of the ACC.

If a variance is granted as provided herein, no violation of this Master Declaration, ACC Rules/ACC Standards or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or the ACC Rules/ACC Standards for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby.

The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon.

The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with applicable ordinances of the City of Boise, Idaho.

SECTION 11.07. Applications. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereinafter provided.

All applications must contain, or have submitted therewith, the following material (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

- (a) Site Plan. A site plan showing the location of the Building(s) and all other structures and Improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the Improvements.
- (b) Building Plan. A building plan which shall consist of preliminary or final blueprints, elevations

drawings of the north, south, east and west sides, and detailed exterior specifications which shall indicate, by example if required by the ACC, all exterior colors, materials and finishes, including roof, to be used.

- (c) Landscape Plan. A landscape plan for portions of the Lot to be landscaped which shall show the location, type and size of trees, plants, ground cover, shrubs, berming and mounding, grading, drainage, sprinkler systems, fences, freestanding exterior lights, driveways, parking areas and walkways.

The ACC may, in its discretion, require the Owner to furnish additional and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgement to assure that all improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain Silverwood Subdivision as a quality residential development.

SECTION 11.08. Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgement to assure that all improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain Silverwood Subdivision as a quality residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within forty-five (45) days after the receipt of a properly submitted application. The decision of the ACC can be in the form of an approval, a conditional approval or denial. The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 11.09. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or in violation of this Master Declaration or the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC is empowered to receive from other Owners ("Complainant") complaints in writing involving deviations from approved applications or violations of this Master Declaration or any applicable ACC Rules/ACC Standards. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise.

Should the ACC determine that there has been a deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:

- (a) The Owner shall immediately cease the activity which constitutes a deviation or violation.
- (b) The Owner shall adhere to the corrective measure set forth in the written notice.

Should the ACC determine there has been no deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

SECTION 11.10. Hearing. An Owner submitting an application under Section 11.07, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation, in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in Section 11.12, below.

SECTION 11.11. Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 11.10, above, provided, however, that neither an owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant has participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal.

At the hearing the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted

by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.

Upon receiving all of the evidence, oral and documentary, and the following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 11.122, below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 11.12. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provision of this Master Declaration, the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus and additional costs installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments, or any installment thereof when due, shall be enforceable in the manner provided in Article IX, above.

SECTION 11.13. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation of the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article IX, above.

SECTION 11.14. Non-Exclusive Remedy. The right of the Association to levy a limited Assessment as described in Sections 11.12 and 11.13, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 11.15 Private Rights. The Association shall not have the right to mediate or filiate private disputes between Owners where there is a legal or equitable remedy available to resolve said disputes when, in the sole discretion of the Board, the interests of the Association or a substantial number of the Owner would not be benefited thereby.

ARTICLE XII

ANNEXATION

SECTION 12.01 Annexation. Additional property may be annexed to Silverwood Subdivision and brought within the provisions of the Master Declaration by the Grantor, at any time, without the approval of any Owner or the Association, provided, that such annexation is first approved by the U.S. Department of Housing and Urban Development ("HUD"). If such approval by HUD is required as a condition for FHA/VA financing. To annex additional property to Silverwood Subdivision, the Grantor shall record an amendment to this Master Declaration which shall specify the annexation of the additional property to Silverwood Subdivision and which may supplement this master Declaration with additional or different covenants and restrictions applicable to the annexed property, as the Grantor may deem appropriate; and may delete or modify as to such annexed property such covenants as are contained herein which the Grantor deems not appropriate for the annexed property, so long as the additional, different, deleted or modified covenants or restrictions are not prohibited by the regulations and requirements of HUD for residential subdivisions of the nature and type as Silverwood Subdivision. Upon such annexation, the Owners of the Lots within the annexed property shall become members of the Association with all rights, privileges and obligations as all other members. The amendment of the master Declaration as authorized by the Section, to annex additional property to Silverwood Subdivision, shall be controlled by the provisions of this Section and shall be expressly excluded from the requirements of Section 14.02 of this Master Declaration.

SECTION 12.02 De-Annexation. The Grantor shall have the right to delete all or a portion of the Property from the coverage of this Master Declaration and the jurisdiction of the Association, so long as the Grantor is the Owner of all of the property to be de-annexed and, provided further, that an appropriate amendment to this Master Declaration is recorded in the office of the Ada County Recorder.

ARTICLE XIII

PROTECTION OF MORTGAGEES

SECTION 13.01. Purpose. Notwithstanding any and all provisions of this Master Declaration to the contrary, to induce the Federal Home Loan Mortgage Corporation ("FHLMC"), the Government National Mortgage Association ("GNMA"), the Federal National Mortgage Association ("FNMA"), the Federal Housing Administration ("FHA") and the Veterans Administration ("VA") to participate in the financing of the purchase of lots within Silverwood Subdivision, the provisions of the Article are added hereto. To the extent the following Sections of the Article conflict with any other provisions of the master Declaration or the provisions of any Supplemental Declaration, this Article shall control.

SECTION 13.02. Restrictions on Amendments. No amendment of this Master Declaration shall operate to defeat or render invalid the rights of a Mortgagee or beneficiary under any first Mortgage or first Deed of Trust upon a Lot made in good faith and for value

and recorded prior to the recordation of such amendment, provided that after foreclosure of any such Mortgage or Deed of Trust such Lot shall remain subject to this Master Declaration, as amended.

SECTION 13.03. Mortgages Defined. For the purposes of this Article only, a "Mortgages" shall refer only to FHLMC, ONMA, FNMA, FHIA AND VA, as described in Section 13.01, above.

SECTION 13.04. Right to Notice. SECTION 13.05. Exemption From Prior Assessments. Each Mortgagee which comes into possession of a Lot by virtue of foreclosure or otherwise shall take title to such Lot free from any claims for unpaid Assessments and charges against the Lot which accrue prior to the time such Mortgagee comes into possession, except for claims for a share of such assessments or charges resulting from a reallocation thereof to all Lots, including the mortgaged Lot.

SECTION 13.06. Changes Requiring Unanimous Approval. Without the prior unanimous approval of all Mortgagees of Lots within Silverwood Point Subdivision, neither the Association nor the Owners shall:

- (a) By act or omissions seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas which are owned, directly or indirectly, by the Association, provided, however, that the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas by the Association shall not be deemed a transfer within the meaning of this Section.
- (b) Change the ratio of Assessments or method of determining the obligations, Assessments, dues or other charges which may be levied against Owner or the method of allocating distributions of hazard insurance proceeds or condemnation awards.

SECTION 13.07. Restrictions on Other Changes. Without the prior written approval of at least seventy-five percent (75%) of the Mortgagees holding Mortgages on lots within Silverwood Subdivision, neither the Association nor the Owners shall:

SECTION 13.13. Liability for Taxes. All taxes levied and assessed on the Common Areas must be assessable against those Common Areas only and the Association and/or any Sub-Association shall be solely responsible for the payment thereof.

SECTION 13.14. Waiver of Liability and Subrogation. Any provision in this Master Declaration which requires Owners to indemnify the Association, a Sub-Association, the Board or the Sub-Association Board or other Owners against acts of the indemnitor is subject to the exception that if the liability, damage or injury is covered by any type of insurance and proceeds are actually paid to the insured by reason thereof, the indemnitor is relieved of liability to the extent of insurance proceeds so paid.

SECTION 13.15. FHMA and ONMA Insurance Requirements. Notwithstanding any other provisions contained in the Master Declaration, the Association or a Sub-Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit development projects established by FHMA and ONMA, so long

as either is a Mortgagee or Owner of a Lot within Silverwood Subdivision, except to the extent such coverage is not available or has been waived in writing by FNMA or GNMA.

SECTION 13.16. Additional Contracts. In addition to the foregoing provisions of this Article, the Board may enter into such contracts and agreements on behalf of the Association as are required in order to satisfy the guidelines of FHLMC, FNMA, GNMA, FIA, VA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entity of mortgages encumbering Lots within Improvements thereon. Each Owner hereby agrees that it will benefit the Association and each Owner, as a class of potential mortgage borrowers and potential sellers of their Lots if such agencies approve Silverwood Subdivision as a qualifying subdivision under applicable policies, rules and regulations as adopted from time-to-time.

SECTION 13.17. Consent to Release of Information by Mortgagees. Mortgagees are hereby authorized to furnish information to the Board concerning the status of any Mortgage encumbering a Lot and each Owner of a Lot encumbered by such a Mortgage hereby consent thereto.

SECTION 13.18. Restricted Application. It is expressly provided that the terms, conditions and provisions of this Article shall not be operative or in force and effect unless and until FHLMC, FNMA, GNMA, FIA or VA purchases, grants or insures a Mortgage on a Lot within Silverwood Subdivision and then only to the extent the same are required by said purchaser, grantor or insurer. In the event the standards and guidelines of FHLMC, FNMA, GNMA, FIA or VA do not require, as a condition of approval of Silverwood Subdivision as a qualifying subdivision, the inclusion of one or more of the provisions of the Article, said non-required provisions shall be of no further force or effect.

(A) SOLAR ACCESS DEFINITIONS

(1) Exempt Tree: Any preexisting vegetation as defined in Article II, Section B or any vegetation included on the list of solar friendly vegetation kept by the City of Boise's Public Works and Community Planning and Development Departments.

(2) Front Lot Line: The line represented by the connection of the most distant corners of a lot, including flag lots, where said corners are in common with the boundary of a public or private road. For corner lots, the front lot line is designated on the plat.

(3) North Slope: The gradient, in percent slope, from the average finish grade of the front lot line of the shade restricted lot to the average finished grade of the solar lot line of a solar lot. The slope must be downward or decreasing in elevation from south to north.

(4) Restricted Vegetation: A tree or other vegetation which is either evergreen, or if deciduous, tends to retain its leaves late in the fall and/or drop them late in the spring, or has a dense branching pattern which generally tends to block a high level of the sun's rays during the heating season. Refer to the list of "solar friendly" trees on file with the Boise City Public Works and the Community Planning and Development Departments.

(5) Shade: That portion of the shadow cast by the shade point of a structure or vegetation which exceeds the 11.5 foot fence at the solar lot line at solar noon, January 21.

(6) Shade Points: That part of a structure, tree or other object, on a shade restricted lot, which casts the longest shadow (the most northerly shadow) when the sun is due south on January 21st at an altitude of twenty-six (26) degrees above the horizon, except a shadow caused by a narrow object such as a chimney, antenna, utility pole, wire, etc.

(7) Shade Point-Height: The vertical distance or height measured from the average elevation at the solar lot line to the shade point. If the shade point is located at the north end of a ridge line of a structure oriented within 45 degrees of a geodetic north-south line, the shade point height computed according to the preceding sentence may be reduced 3 feet. If a structure has a roof oriented within 45 degrees of a geodetic east-west line with a pitch which is flatter than 6 feet (vertical) in 12 feet (horizontal), the shade point will be the curve of the roof. If such a roof has a pitch which is 6 feet in 12 feet or steeper, the shade point will be the peak of the roof.

(8) Shade Restricted Lot: Any lot within the subdivision that is southerly of and adjacent to a solar lot. These lots have some restriction on vegetation types and structure height.

(9) Solar Friendly Vegetation: A tree or other vegetation which is included on the solar friendly vegetation list kept by the City of Boise's Public Works and Community Planning and Development Departments.

(10) Solar Lot: A lot which has the following characteristics:

1. The front lot line is oriented within thirty (30) degrees of a geodetic east/west bearing;
2. The lot to the immediate south has a north slope of ten (10) percent or less;
3. It is intended for the construction of an above ground inhabited structure.

(11) Solar Lot Line: The most southerly boundary of a solar lot; the line created by connecting the most distant southerly corners of a solar lot.

(12) Solar Setbacks: The minimum distance, measured perpendicular in a southerly direction, from the center of the solar lot line to the shade point of a structure or to restricted vegetation based upon its height at maturity on the shade restricted lot.

(B) SOLAR ACCESS COVENANTS, CONDITIONS AND RESTRICTIONS

(1) Shade Restriction: Each lot within the subdivision which is classified as a Shade Restricted Lot shall have the following restriction: Any structure or restricted vegetation (solar unfriendly) cannot cast a shadow higher than an imaginary fence 11.5 feet above the solar lot line on solar noon of January 21st when the sun is at an angle of 26 degrees above the horizon. This sun angle at noon on January 21 causes structures, vegetation, and other objects to cast a shadow twice as long as their height. The height of the shade point of a structure on the shade restricted lot is limited to 19 feet at the 15 foot rear yard zoning setback in order that the 11.5 foot high "solar fence" at the north property line of the Shade Restricted Lot is not exceeded. These standards assure that a structure built to the 15 foot rear yard zoning setback, on the Solar Lot located to the north, will not be shaded more than 4 feet above grade on its south wall on January 21 at solar noon.

(2) Pre-Existing Vegetation: Restricted vegetation (solar unfriendly), which existed when the subdivision was platted is exempt from the provisions of these covenants, conditions and restrictions. Any lot which would be shaded beyond the allowed shade limit by such vegetation shall not be classified as a Solar Lot.

(3) Slope Exemption: Any lot with an average finished grade along the north-south lot dimension greater than ten (10) percent shall be exempt from the terms and conditions of these covenants, conditions and restrictions.

(4) Solar Setbacks: Each separate structure and item of restricted vegetation shall have a solar setback dependent on and calculated by its shade point height. All shade restricted lots have the following solar setback: Solar Setback (in feet) = [Shade Point Height (in feet) - 11.5] x 2. Table 1 below shows a few examples of solar Setbacks for given shade point heights:

TABLE 1

SOLAR SETBACK REQUIRED FOR A GIVEN SHADE POINT HEIGHT.

Shade Point Height	Solar Setback	Shade Point Height	Solar Setback
10'	0'	25'	27'
15'	7'	30'	37'
20'	17'		

(5) Solar Friendly Vegetation: Certain vegetation is considered "solar friendly" and is not restricted in regards to location on individual lots. Such vegetation is deciduous, dropping its leaves during late fall and regaining them during late spring. Such vegetation also has sparse branching which allows a high level of sunlight to penetrate through. This growth cycle produces shading during summer but allows sun to penetrate during winter. A list of acceptable solar friendly trees is maintained by the Boise City Public Works and the Community Planning and Development Departments.

(C) SOLAR ACCESS RIGHTS, DUTIES AND RESPONSIBILITIES

(1) Solar Access Rights: The owner(s) of a solar lot(s) shall have a right to unobstructed solar access in accordance with these covenants, conditions and restriction.

(2) Solar Access Duties: The owner(s) of any lot(s) shall not build, install, or otherwise allow a structure or non solar friendly tree on that lot in cast more shade at their solar lot line than permitted under solar access covenants, conditions and restrictions.

(D) MISCELLANEOUS

(1) Enforcement and Non-Waiver: Any lot owner, or homeowner association, whether or not directly affected, shall have the right to enforce, by any proceeding at law or in equity, any violation or threatened violation of a provision of this declaration. The failure of any person to enforce any covenant or restriction herein contained shall not be deemed a waiver of the rights granted herein. Waiver of one breach does not constitute waiver of any other breach. There can be no waiver of the right to solar access created by this Declaration.

(2) Severability: Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way effect any other provision, which shall remain in full force and effect.

(3) Duration and Applicability to Successors: The covenants and restrictions set forth in this declaration shall be in effect perpetually, shall run with the land and shall inure to the benefit of and be binding upon the Declarant and all lot owners in the subdivision and their successors in interest.

(4) Amendment: This Article 5.26 of the Declaration may be amended by the action of the owners of a majority of the lots in the subdivision affected by such amendments provided the amendment does not reduce the amount of solar access protection provided to the subdivision and the amendment is approved by the City of Boise City.

Upon the first sale of a Lot to an Owner, the Grantor shall thereupon be entitled to five (5) votes for each lot which the Grantor owns until (i) the total votes outstanding in the Class A membership exceeds the total votes outstanding in the Class B membership, or (ii) January 1, 2006, whichever shall first occur, at which time Class B members shall be considered to be Class A members.

SECTION 6.06. Board of Directors and Officers. The affairs of the Association shall be conducted by a Board of Directors and such officers as the Directors may elect or appoint, in accordance with the Articles and By-Laws, as the same may be amended from time to time.

ARTICLE VIII

ASSESSMENTS

SECTION 8.01. Covenant to Pay Assessments. Each Owner hereby, and by acceptance of a deed in a lot, covenants and agrees to pay when due all Regular, Special and Limited Assessments or charges made by the Association or a Sub-Association of which the Owner is a Member.

All such Assessments, together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made, and shall be also the personal obligation of the Owner of such Lot at the time when the Assessment become due and payable. The personal obligation for delinquent Assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner may waive or otherwise avoid liability for any Assessment by non-use of the Common Areas or by abandonment of his Lot.

SECTION 8.02. Regular Assessments. Regular Assessments shall be made by the Association at times and intervals deemed appropriate by the Board. The Regular Assessments shall be based upon advance estimates of cash requirements as determined by the Board for the maintenance and operation of the Common Areas and all easement areas, if any, controlled by the Association and for the performance by the Association of its other duties and responsibilities. Such estimates may include, but shall not be limited to, expenses of management, taxes and special assessments of local governmental units, premiums for all insurance which the Association is required or permitted to maintain hereunder, landscaping and care of grounds, lighting, water charges, trash collection, sewerage charges, repair and maintenance, legal and accounting fees, and any deficit remaining from previous periods and the creation of a reserve, surplus and/or sinking fund(s).

The initial annual Regular Assessment shall be the amount of \$100.00 per Lot, until changed by the Board.

SECTION 8.03. Special Assessments. In addition to Regular Assessments, the Association may levy at any time a Special Assessment payable over such period as the Board may deem appropriate for the following purposes:

- (a) To defray, in whole or in part, the cost of any construction or reconstruction of improvements on a Common Area, unexpected repair or replacement of improvements upon the common area or any facility located thereon or upon an easement area controlled by the Association, the furnishing of a special service or services (other than those appropriate for a Limited Assessment), or for any other expenses incurred or to be incurred as provided in the Master Declaration.
- (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board.

At the closing of the sale of each Lot by the Grantor, a special assessment of \$100.00 shall be collected from the purchaser of the Lot as payment for the initial construction and maintenance of the Common Area and landscape easements to be maintained by the Association.

SECTION 8.04. Limited Assessments. In addition to Regular and Special Assessments, owners shall pay Limited Assessments as follows:

- (a) **Maintenance and Repair.** The Association shall have the power to incur expenses for maintenance and repair of any Lot or any Improvements on a Lot, if such maintenance and repair is necessary, in the opinion of the Board, to protect the Common Area or any other portion of the Property, and if the Owner of said Lot has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity thereof has been delivered by the Board to said owner. The Board shall levy a Limited Assessment against the Owner of the Lot owned by said owner to pay for the cost of such maintenance and repair, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair and the Assessment therefor.
- (b) **Correction of Violations.** In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Master Declaration or the ACC Rules/ACC Standards, shall have the power to correct a violation on a lot or any Improvement on a Lot, and incur costs necessary in connection therewith. The cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in Article IX of the Master Declaration.
- (c) **Limited Purpose.** The Association shall have the power to levy a Limited Assessment against Owners and lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing with respect to said Limited Assessment.

SECTION 8.05. Sub-Association Assessments. Any Sub-Association of Silverwood Subdivision is hereby empowered to assess and certify for levy and collection by the Association, Regular, Special and Limited Assessments on the Lots and Owners thereof who are Members of the Sub-Association. The certification for levy by a Sub-Association and the collection thereof by the Association shall be as follows:

- (a) The Sub-Association Board shall, following its By-Laws, rules and regulations, meet and approve a Regular, Special or Limited Assessment.
- (b) A written certification signed by the President and Secretary of the Sub-Association that a Regular, Special or Limited Assessment has been approved by the Sub-Association Board shall be submitted to the Board. The certification shall contain the following: (i) a description of the type of Assessment to be levied and collected; (ii) the name and address of the Owner and the legal description of each Lot to be assessed; (iii) the amount to be levied and collected from each owner; and (iv) the term of said levy and the due dates for the payment thereof by the Owners affected. The due dates may be adjusted by the Board to conform the same to the due dates of the Assessments of the Association for the purpose of achieving efficiency and economy in preparing, mailing statements and notices.
- (c) Upon compliance with the foregoing, the Board shall levy the Assessment so certified in accordance with the terms of the certification in the same manner as levies for Assessments of the Association. Any levy made by the Association on behalf of a Sub-Association pursuant to a proper certification shall have the same force and effect as a levy made by the Association.
- (d) The Association, upon receipt of funds paid pursuant to a levy certified by a Sub-Association, shall deposit such funds as received in the separate account of the Sub-Association, as designated by the Sub-Association.

SECTION 8.06. Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence the earlier of the following: (i) six (6) months following the closing of the first sale of a Lot to an Owner, or (ii) the occupancy of the first building constructed on a lot. Provided, however, that any lot owned by the Grantor shall be assessed a Regular Assessment not exceeding ten percent (10%) of the amount assessed against Lots owned by other Owners. If the Grantor pays all or any portion of the expenses of the Association in excess of the amount assessed to Lots owned by the Grantor, such excess amounts so paid shall constitute a prepayment of Assessments (Regular and Special) to become due and payable on the Lots owned by the Grantor within Silverwood Subdivision; provided that unless such excess amounts so paid by the Grantor are paid pursuant to a written agreement with the Association to the contrary, the Grantor shall not be entitled to reimbursement in cash of any such Assessment credit nor shall such credit inure to an Owner purchasing a Lot from the Grantor, unless such person is the successor to substantially all of the interest of the Grantor in the Property. Nothing herein contained shall obligate the Grantor to pay any Assessment with respect to a Lot within a separately platted phase or subdivision within Silverwood Subdivision in which the Grantor owns all of the lots.

SECTION 8.07. Uniform Rate of Assessment. Except as expressly provided to the contrary in this Master Declaration, Regular and Special Assessments of the Association shall be fixed at a uniform rate for all Lots.

SECTION 8.08. Assessment Due Date. The due dates for Regular, Special and Limited Assessments shall be the first day of the first month of each calendar quarter, unless some other due date is established by the Board. Each installment of an Assessment shall be delinquent if not paid within fifteen (15) days after the due date thereof. Nothing herein contained shall prohibit the Board from requiring that Special or Limited Assessment be paid in a lump sum instead of installments.

SECTION 8.09. Interest and Penalties. Any Regular, Special or Limited Assessment levied by the Association on Lots, if not paid when due, shall bear interest at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and to in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

SECTION 8.10. Escrow Certificates. The Association, upon at least twenty (20) days prior written notice, shall execute, acknowledge and deliver to the party making such request, a statement in writing stating whether or not to the knowledge of the Association a particular building lot owner is being intended under the provisions of the Master Declaration and further stating the dates to which any assessments have been paid by the Owner. Any such certificates delivered pursuant to this Section may be relied upon by any prospective purchaser or Mortgagee of the Owner's building Lot. Reliance on such certificate may not extend to any default as which the signer shall have had no actual knowledge. The Association shall have the right to charge a reasonable fee for the certification herein provided.

SECTION 8.11. Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the Articles or the By-Laws of the Association, written notice of any meeting called for the purpose of levying a Special Assessment or a Limited Assessment described in Section 8.04, above, shall be sent to all Owners subject to the levy of such Special or Limited Assessments no less than ten (10) nor more than fifty (50) days in advance of the meeting. The presence of Owners or of proxies entitled to cast sixty percent (60%) of the total votes of each class of members of the Association subject to the levy of such Special or Limited Assessment shall constitute a quorum. If the required quorum is not present, the meeting may be rescheduled by the Board for a date not later than sixty (60) days after the date of initial meeting and at the rescheduled meeting the presence of Owners or of proxies entitled to cast ten percent (10%) of the total votes of each class of Members shall constitute a quorum. No written notice of the rescheduled meeting shall be required.

ARTICLE IX.

ENFORCEMENT OF ASSESSMENTS

SECTION 9.01. Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association (including the Assessments made and certified by a Sub-Association) is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of any of the terms and conditions of this Master Declaration, the owner against whom such enforcement is sought shall pay reasonable attorneys' fees in connection therewith.

SECTION 9.02. Creation of Assessment Liens. There is hereby created a continuing claim of lien with power of sale on each and every lot to secure payment of any and all Assessments levied against any and all Lots in Silverwood Subdivision pursuant to this Master Declaration, together with interest thereon and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens or claims created subsequent to the recordation of this Master Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in Ada County, Idaho, including all unpaid obligatory advances to be made pursuant thereto; and (iii) labor or materialman's liens, if the same are prior and superior by reason of applicable law. All other lien holders acquiring liens on any Lot after recordation of this Master Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessments levied by the Association, whether or not such consent be specifically set forth in the instruments creating such other liens.

SECTION 9.03. Notice of Assessment. If an Owner fails to pay an Assessment within thirty (30) days of its due date, the Association shall prepare a written Notice of Assessment setting forth the type of Assessment, the amount of the Assessment, the due date therefor, including the amount and due date of installments (if the same are permitted), the amount remaining unpaid at the time of filing, the name of the record Owner of the Lot and a legal description of the Lot. Such Notice shall be signed by the President and Secretary of the Association, acknowledged by a notary Public and recorded in the office of the Ada County Recorder. At such time as a delinquent Assessment which is described in the Notice is paid, the Association shall prepare and record a Notice of Satisfaction with respect thereto.

SECTION 9.04. Enforcement. Upon the failure of an Owner to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Idaho for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including all reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease, rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

SECTION 9.05. Notice Required. Notwithstanding anything to the contrary in this Master Declaration, no action may be brought to foreclose the lien created by recordation of the notice of delinquency and claim of lien, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after written notice of default and claim of lien has been deposited in the United States Mail, certified or registered mail, postage pre-paid, return receipt requested, addressed to the Owner of the Lot described in such Notice of delinquency and claim of lien, and a copy thereof is recorded by the Association in the office of the appropriate county recorder.

SECTION 9.06. Reporting. The Association shall provide a Mortgagee with a copy of a Notice of Default served on an Owner under Section 9.05, above. The duty to give such shall arise only after said Mortgagee furnishes to the Association written notice of a Mortgage (or Deed of Trust) which shall contain the following:

- (a) The name and address of said Mortgagee;
- (b) A legal description of the Lot subject to the lien of the Mortgage by Lot, Block and Subdivision

- (f) A copy of a title insurance report evidencing that the Mortgagee is the holder of a first Mortgage or the beneficiary of a first Deed of Trust;
- (g) The signature of the Mortgagee or authorized agent.

In the event the Association shall be required to notify a Mortgagee as herein provided, the Association shall assess the Owner who is delinquent the sum of \$25.00 as a reasonable charge for such notification and such charge shall be a cost of collection secured by the Assessment lien described in Section 9.02, above. The charge for such notification shall be subject to change by the Board.

SECTION 9.07. Term of Assessment. Unless sooner satisfied and released or the enforcement thereof initiated as provided in this Article, the lien for any Assessment levied under this Master Declaration or any applicable Supplemental Declaration shall expire and be of no further force or effect after a period of five (5) years from the later of (i) the date of said Assessment, or (ii) the date the last installment thereof is due and payable. The expiration of the lien as provided herein shall not release an Owner from the personal obligation to pay any Assessment.

SECTION 9.08. Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Master Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

ARTICLE X.

SECTION 10.01. Creation. The Grantor shall have the right to create Sub-Associations as Idaho non-profit corporations. Each such Sub-Association shall have all power, rights, obligations, responsibilities and duties and be subject to all of the same limitations and restrictions as are specified in this Master Declaration with respect to the Association, except for such differences, such changes as the Grantor may deem appropriate as a result of the different and specific Common Areas being owned, maintained and managed by such Sub-Associations, which changes shall be set forth in a Supplemental Declaration.

SECTION 10.02. Voting. Each Sub-Association shall have the two (2) classes of voting membership and the voting rights shall be specified for the Association in Section 6.05, above.

SECTION 10.03. Powers and Duties. Each Sub-Association shall be managed by a Board of Directors and officers in the same manner as specified in Section 6.06, above, for the Association and shall have the same powers and duties with respect to its Members and the Common Areas owned, managed or maintained by it, including any easement areas controlled by it, said powers and duties to include the levying of Assessments and certification thereof to the Association for collection, adopting rules and regulations, granting easements, licenses and right-of-way, payment of expenses, taxes, assessments, utility charges, insurance premiums and the preparation and distribution of budgets and financial statements as are provided in Article VI, above.

SECTION 10.04. Members. The Members of each Sub-Association shall be the Owners of Lots in the portion or phase of Silverwood Subdivision described in the Supplemental Declaration relating thereto. Memberships may only be transferred in the same manner as specified in Section 6.04, above.

ARTICLE XI.

ARCHITECTURAL CONTROL COMMITTEE

SECTION 11.01. Members of the Committee. The Architectural Control Committee shall be comprised of at least three (3) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any event, until said Member's successor has been appointed. Members of the ACC may be removed at any time, with or without cause.

SECTION 11.02. Appointment. So long as the Grantor owns any lot or parcel within the Property, the Grantor shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board.

The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.

SECTION 11.03. Compensation. The members of the ACC shall not receive any compensation for services rendered, but shall be reimbursed for actual expenses incurred by them in the performance of their duties hereunder.

SECTION 11.04. Non-Liability. Neither the ACC, nor any member thereof, or the Grantor or any partner, officer, employee, agent, successor or assign thereof, shall be liable to the Association, an owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such an application, and every owner or Occupant of any Lot agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Association, the ACC, or any member thereof, or the Grantor or any officer, partner, employee, agent, successor or assign thereof to recover such damages.

SECTION 11.05. Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within Silverwood Subdivision without the prior express written approval of the ACC.

SECTION 11.06. Variations. The ACC may authorize variations from compliance with requirements of any conditions and restrictions contained in this Master Declaration, the ACC Rules/ACC Standards, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variations must be evidenced in a writing signed by at least two (2) members of the ACC.

If a variance is granted as provided herein, no violation of this Master Declaration, ACC Rules/ACC Standards or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or the ACC Rules/ACC Standards for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby.

The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon.

The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with applicable ordinances of the City of Boise, Idaho.

SECTION 11.07. Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided.

All applications must contain, or have submitted therewith, the following material (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

- (a) Site Plan. A site plan showing the location of the Building(s) and all other structure and Improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the Improvements.
- (b) Building Plan. A building plan which shall consist of preliminary or final blueprints, elevation

- (c) Landscape Plan. A landscape plan for portions of the Lot to be landscaped which shall show the location, type and size of trees, plants, ground cover, shrubs, berming and mounding, grading, drainage, sprinkler system, fences, freestanding exterior lights, driveways, parking areas and walkways.

The ACC may, in its discretion, require the Owner to furnish additional and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgement to assure that all improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain Silverwood Subdivision as a quality residential development.

SECTION 11.08. Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgement to assure that all improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain Silverwood Subdivision as a quality residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within forty-five (45) days after the receipt of a properly submitted application. The decision of the ACC can be in the form of an approval, a conditional approval or denial. The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 11.09. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violation this Master Declaration or the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC is empowered to receive from other Owners ("Complainant") complaints in writing involving deviations from approved applications or violations of this Master Declaration or any applicable ACC Rules/ACC Standards. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise.

Should the ACC determine that there has been a deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:

- (a) The Owner shall immediately cease the activity which constitutes a deviation or violation.
- (b) The Owner shall adhere to the corrective measure set forth in the written notice.

Should the ACC determine there has been no deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

SECTION 11.10. Hearing. An Owner submitting an application under Section 11.07, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information in the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation, in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in Section 11.12, below.

SECTION 11.11. Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 11.10, above, provided, however, that neither an owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant has participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal.

At the hearing the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted

by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.

Upon receiving all of the evidence, oral and documentary, and the following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 11.122, below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 11.12. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provision of this Master Declaration, the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus and additional costs installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments, or any installment thereof when due, shall be enforceable in the manner provided in Article IX, above.

SECTION 11.13. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article IX, above.

SECTION 11.14. Non-Exclusive Remedy. The right of the Association to levy a limited Assessment as described in Sections 11.12 and 11.13, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 11.15. Private Rights. The Association shall not have the right to mediate or litigate private disputes between Owners where there is a legal or equitable remedy available to resolve said dispute when, in the sole discretion of the Board, the interests of the Association or a substantial number of the Owner would not be benefited thereby.

ARTICLE XII

SECTION 12.01. Annexation. Additional property may be annexed to Silverwood Subdivision and brought within the provisions of the Master Declaration by the Grantor, at any time, without the approval of any Owner or the Association, provided, that such annexation is first approved by the U.S. Department of Housing and Urban Development ("HUD"), if such approval by HUD is required as a condition for FHA/VA financing. To annex additional property to Silverwood Subdivision, the Grantor shall record an amendment to this Master Declaration which shall specify the annexation of the additional property to Silverwood Subdivision and which may supplement this master Declaration with additional or different covenants and restrictions applicable to the annexed property, as the Grantor may deem appropriate, and may delete or modify as in such annexed property such covenants as are contained herein which the Grantor deems not appropriate for the annexed property, so long as the additional, different, deleted or modified covenants or restrictions are not prohibited by the regulations and requirements of HUD for residential subdivisions of the nature and type as Silverwood Subdivision. Upon such annexation, the Owners of the Lots within the annexed property shall become members of the Association with all rights, privileges and obligations as all other members. The amendment of the master Declaration as authorized by the Section, to annex additional property to Silverwood Subdivision, shall be controlled by the provisions of this Section and shall be expressly excluded from the requirements of Section 14.02 of this Master Declaration.

SECTION 12.02. De-Annexation. The Grantor shall have the right to delete all or a portion of the Property from the coverage of this Master Declaration and the jurisdiction of the Association, so long as the Grantor is the Owner of all of the property to be de-annexed and, provided further, that an appropriate amendment to this Master Declaration is recorded in the office of the Ada County Recorder.

ARTICLE XIII

SECTION 13.10. Right to Pay Charges. Mortgagees may pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay any overdue premiums on hazard insurance policies covering said Common Area and said Mortgagees making such payments shall be entitled to immediate reimbursement therefor from the Association.

SECTION 13.11. Fidelity Bond Required. The Board shall secure and cause to be maintained in force at all times a fidelity bond for any person or entity handling funds of the Association.

SECTION 13.12. Lessee's Obligations. Any agreement for the leasing or rental of a Lot, including a month-to-month rental agreement, shall provide that the terms of such agreement shall be subject to the provisions of the Project Documents. All such agreements shall be in writing and shall provide that any failure by the lessee to comply with the terms of the Project Documents shall be a default under the leasing rental agreement.

SECTION 13.13. Liability for Taxes. All taxes levied and assessed on the Common Areas must be assessable against those Common Areas only and the Association and/or any Sub-Association shall be solely responsible for the payment thereof.

SECTION 13.14. Waiver of Liability and Subrogation. SECTION 13.15. FNMA and ONMA Insurance Requirements. Notwithstanding any other provisions contained in the Master Declaration, the Association or a Sub-Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit development projects established by FNMA and ONMA, so long

as either is a Mortgagee or Owner of a Lot within Silverwood Subdivision, except to the extent such coverage is not available or has been waived in writing by FNMA or GNMA.

SECTION 13.16. Additional Contracts. In addition to the foregoing provisions of this Article, the Board may enter into such contracts and agreements on behalf of the Association as are required in order to satisfy the guidelines of FHLMC, FNMA, GNMA, FHA, VA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entity of mortgages encumbering Lots within Improvements thereon. Each Owner hereby agrees that it will benefit the Association and each Owner, as a class of potential mortgage borrowers and potential sellers of their Lots if such agencies approve Silverwood Subdivision as a qualifying subdivision under applicable policies, rules and regulations as adopted from time-to-time.

SECTION 13.17. Consent to Release of Information by Mortgagee. Mortgagees are hereby authorized to furnish information to the Board concerning the status of any Mortgage encumbering a Lot and each Owner of a Lot encumbered by such a Mortgage hereby consent thereto.

SECTION 13.18. Restricted Application. ARTICLE XIV.

OPERATION AND MAINTENANCE MANUAL

FOR

SILVERWOOD SUBDIVISION

DRAINAGE FACILITIES

I. PURPOSE	2
II. GENERAL	2
III. DRAINAGE PIPES AND DITCHES	4
IV. OIL AND SEDIMENT TRAPS	4
V. OUTLETS/INLETS	4
VI. DRAINAGE/RETENTION POND	5
VII. REPORT AND DRAWINGS	5

I. PURPOSE

The operation and maintenance guidelines within this manual are provided as a guide for the benefit of the operators and owners of Silverwood Subdivision Drainage Basin. The individuals charged with the responsibility of maintenance and operation should familiarize themselves with the overall layout of the Silverwood Subdivision storm water system. An overall plan of the storm drainage system of Silverwood Subdivision is attached to the body of this report.

II. GENERAL

These guidelines should be viewed as the minimum acceptable criteria for system operation. The Homeowner's Association, or its representative, should attempt to exceed the O&M procedures set forth in this manual.

- a) A Master Drainage Map is included as part of the manual.
- b) Copies of the O&M Manual and Drainage plan are to be available to the Homeowners Association.

The Homeowner's Association, or its representative, shall submit a report to the association and the City of Boise, on January 15th of every year detailing all O&M activities. See Section VII for the general report form.

The storm water system includes the following elements that are identified on the attached map.

1. Storm drain pipes;
2. Oil and sediment traps;
3. Outlets/inlets;
4. Drainage pond;

This systems is designed to transport water off Silverwood Subdivision. The Homeowner's Association will maintain the drainage system constructed outside the public rights-of-way, and ACHD will maintain the system within the public rights-of-way.

The system components for which ACHD will provide maintenance are:

1. Oil and sediment traps (see map for location)
2. Drop inlets
3. All storm drain pipes noted on Storm Drainage Plan of Silverwood Subdivision.

The system is designed to operate without any problems; however, the following maintenance problems may occur and will require immediate action to solve the problems.

- A. A storm drain inlet may be plugged with soil or other debris that may cause blockage. This blockage may result in a system overflow.
- B. A pipe is fully or partially filled with material causing the system to not operate at design capacity.

The system needs to be inspected by the Homeowner's Association representative and or a qualified engineer periodically to insure the system is operational. The inspection should include the following:

- A. Inspect the inlets to insure they are clear of all debris and operate properly.
- B. Inspect each manhole to insure it is free of obstruction and will operate as designed.
- C. Visually inspect each pipe to insure it is free of obstruction and will operate as designed.
- D. Visually inspect, by walking, each concrete gutter to insure it is clear of material and will operate as designed.
- E. Inspect the drainage pond to determine if the capacity has been reduced or filled in. If the depth of the drainage pond has been reduced by 4 feet, arrangements should be made to remove the material. The change in depth may be determined by measuring the vertical difference between the bottom elevation of the drainage invert outlet and the bottom elevation of the drainage swale near the canal. See the table below.

DATE	EAST INVERT OUTLET ELE.	SWALE BOTTOM ELE.	ELEVATION DIFFERENCE
11/5/96	2804.5	2790.3	14.2

In the event the elevation difference is less than 10.2 ft, arrangements should be made to remove the material. The drainage pond can be easily accessed for maintenance via the areas noted on the attached map.

F. Inspect the pipelines, manholes, pipeline inverts and outlets, and channel inverts to insure there are no blockages.

If any problems are detected that require immediate attention, a letter will be prepared by a qualified engineer working on behalf of the Homeowners Association or the Homeowners Association representative and sent to the Homeowner's Association president. This letter will discuss the nature of the problem, method or means of solving the problem, and the estimated cost.

III. Drainage Pipes and Channel Invert

A. Once every four (4) months, inspect the channel invert, manholes, and pipelines, (as far as is practical) to determine the depth of settled solids. If the depth of settled solids is 20% or more of the pipe diameter, the drainage lines should be flushed.

B. During each inspection, the representative will note unusual conditions and notify the Homeowner's Association president. The president will then determine a reasonable course of action.

IV. Oil and Sediment Traps

Inspect the system once every six (6) months. The inspection should be made by removing the manhole covers of the system and determining if corrections are necessary. If the depth of the trap has been reduced by an amount deemed excessive by the representative, ACHD should be notified to assure proper maintenance.

V. Outlets/Inlets

A bi-monthly visual inspection will be made of the outlets/inlets from November 1st through May 31st and will be cleaned as required. The representative will contact ACHD if outlets/inlets within the public rights-of-way have been blocked. The outlet/inlet should be cleaned when the sediment is two (2) inches below the pipe invert out.

VI. Drainage/ Retention Pond

Once per year the representative shall inspect the drainage pond and remove all debris, including vegetation, that may impact the operation of the area. A clearance of six (6) inches should be maintained between the invert elevation of the outlet pipe and the bottom of the pond, and dirt and sediment should be removed accordingly. The outlets should be clear and stable. Examine the channel for signs of erosion and instability along the outlet and the channel course. The representative should also inspect the side slopes to determine no excessive erosion is present. In the event the drainage pond depth has been reduced by 4 feet, measures will be taken to remove the collected material. See page 3, item E for details on measuring the depth of the swale. Equipment will be mobilized to the drainage pond site and shall utilize the area specified on the storm drainage plan to gain access. It should be noted that dumping material of any kind, i.e. grass clippings, trash, soil, or debris, into the channel/swale is strictly forbidden.

VII. Report and Drawings
